

REACH Information

3D Systems certify that the below products are compliant to Regulation (EC) No 1272/2008 on the classification, labelling and packaging of substances and mixtures (CLP Regulation). 3D Systems certify that all substances requiring registration according to REACH are registered for use with our systems.

3D Systems certify, based on information from raw material and/or mixture suppliers, that the above materials do not contain any substance listed in the REACH candidate list of substances of very high concern (SVHC) of January 19, 2021.

Furthermore, based on information from raw material and/or mixture suppliers, their presence is not expected in these materials except at extremely low trace level (incidental or naturally occurring), for which no specific analytical tests have been performed.

CastForm™ PS
